Dear Richard,

CLIMATE CHANGE DAY - THANK YOU!

This is just a short letter of appreciation for supporting Eversheds LLP in our Climb-It Day event on Friday 1st April. The abseil went off without a hitch largely thanks to the professionalism of the 6 instructors you supplied on the day.

A lot of our participants were understandably nervous, but thanks to the support from your guys, not one member of staff refused to go over the top! Your guys really made the day what it was - almost everyone commented on how friendly they were.

They really made the day special - I would have absolutely no hesitation in either using Rock & Ice again, recommending you to anyone else considering running a similar event, or even just putting the Eversheds name to a testimonial on your website.

Our nominated charity, WWF-UK, sent a delegation of 3 senior members from their corporate partnership team to take part in the abseil and to be presented with a cheque from our celebrity participant, Bob Warman - we estimate we'll eventually raise a staggering **£15000.00!**

The event had lots of press coverage - an article will appear in both the Birmingham Post and Evening Mail (hopefully in both the Thrive and legal sections). We are also featured on the Business in the Community website - see for yourself at www.bitc.org.uk, and also on the evening news.

Thank you once again for your support. We set out to raise awareness of climate change issues and raise money for the WWF-UK - with your help we've certainly achieved that!

Yours sincerely
